

Securitron® M82 Magnalock®

*1,800 lbs holding force
direct mounted Magnalock*

Industrial strength hold for challenging indoor/outdoor environments.

The Securitron M82 electromagnetic lock offers unsurpassed magnetic holding strength, durability and ease of maintenance for interior, perimeter and exterior access control applications in high-risk environments. With unsurpassed durability, the Securitron M82 will last long after most buildings wear out. Flexible mounting options are available for higher security locations and other environments where extreme forces may be encountered.
